2. We conducted our audit in accordance with the auditing standards issued by Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s).
An audit involves performing procedures to obtain audit evidence about the amounts & disclosures in the statement. The procedure selected depends upon auditor's judgment, including assessment of risk of the material misstatement of the statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to company's preparation and fair presentation of the statement in order to design audit procedures that are appropriate in circumstances, but not for the purpose of expressing an opinion on effectiveness of company's internal control. The audit also includes evaluating appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the statement.
We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
